11. Almost all communications will be done via EMAIL or WEBSITE www.celinahoops.com Please list the email address that is most likely to be read on a daily basis.
12. It is realized that players request a "play with." It is almost impossible to balance the talent to make all the teams competitive with this many play with requests. Players like to play with their school teammates or other friend(s) but the purpose of the play with request is for car-pooling purposes. This year, we will honor the play with request (remember it must be reciprocal) on a best effort basis (no guarantees) with priority given to those who live

outside the Mercer county area. Requests for specific teams will not be honored.

13. Each player must wear the official **"JUST PLAY"** league T-shirt in order to play.
14. Teams will be assembled by completing a registration. Teams will be made as competitive as possible. Please circle/complete the skill level section of the registration. 1 being below average skilled 10 being excellent skills.
15. Each athlete must turn in a Release, Waiver, and Registration forms signed by parent or legal guardian before they can participate in the league. Available on website: www.celinahoops.com
